International Dealer's Application**

This form is designed to help us service customers located outside the United States. Because shipping outside the US is so different than shipping within the United States we need to have this form completed before we can start working on your order. It will let us know exactly how you want your order shipped and also how to contact you if we have any additional questions.

We **MUST** have this form back before we can ship to customers located outside the US.

Please mail this form back to:
Southeastern Skate Supply
PO Box 12448
Roanoke, VA 24025-2448
United States

You may speed up your order by faxing the form to us at 540-342-7873. If you do this, please also mail the form in, as sometimes the faxes don't come through clearly.

International shipping is more expensive than shipping inside the US. Any shipping costs from our www.supercoolstuff.com site do NOT apply to your order, we will have to calculate those based on how you would like your order shipped.

Shipping via US Mail: This is cheaper than FedEx or UPS but it is not as reliable.

Shipping via UPS or FedEx: This is more expensive than US Mail. But it is quicker, more reliable, and much easier to track or file insurance claims.
